[Castro Community on Patrol](#) (CCOP) founded in November 2006, is a grassroots non-profit organization dedicated to promoting safety and safety awareness in the Castro and Duboce Triangle neighborhoods. Our mission is to create a safer neighborhood for those who live in, work in, or visit the community in collaboration with community organizations, Patrol Special Police and the San Francisco Police Department. Anyone 18 and older is encouraged to join and participate in the basic patrol training class below. You are not obligated to patrol upon completion of the class, but will learn some really useful information during the class. If you wish to patrol, we ask for a minimum of 1 x 3 hour patrol per month, though you may certainly do more if you have the desire and commitment.
