## [SFFD Neighborhood Emergency Response Team \(NERT\)](#)

The Neighborhood Emergency Response Team (NERT), is a community based training program dedicated to a neighbor-helping-neighbor approach.

NERT is a free training program for individuals, neighborhood groups and community-based organizations in San Francisco. Through this program, individuals will learn the basics of personal preparedness and prevention. The training also includes hands-on disaster skills that will help individuals respond to a personal emergency as well as act as members of a neighborhood response team. San Francisco is made up of many neighborhoods. We are training to be one ready community when it counts. The Emergency Response is key but the Neighborhood Team comes first.

For more information on the San Francisco Fire Department NERT Program, email us at [sffdnert.sfgov.org](mailto:sffdnert.sfgov.org), or call Lt. Erica Arteseros, SFFD NERT Program Coordinator, at (415) 970-2022 or check out the [SFFD NERT](#) web site.

## [SFPD Auxiliary Law Enforcement Response Team \(ALERT\)](#)

The Auxiliary Law Enforcement Response Team (ALERT) is a citizen disaster preparedness program for volunteers 16 years of age or older, who live, work, or attend school in San Francisco.

Volunteers receive training from both the San Francisco Fire Department and the San Francisco Police Department. ALERT volunteers will perform essential tasks after a major disaster. Such tasks might include: traffic control, foot patrol of business and residential areas, reporting criminal activity, looting and property damage observation, supplying information to the incident Command Post, working in partnership with NERT volunteers

For more information on the San Francisco Police Department ALERT Program, email us at [sfpdalert@sfgov.org](mailto:sfpdalert@sfgov.org), or call Sergeant Mark Hernandez (SFPD, Ret.), SFPD ALERT Program Coordinator, at (415) 832-8419 or check out the [SFPD ALERT](#) web site.
