Community Patrol USA

Chief Ken Craig,
Community Patrol USA (San Francisco)
info@CommunityPatrolUSA.org
(415) 967-3080 Voice-Mail

Community Patrol USA (CP-USA) is a not for profit entirely volunteer run organization dedicated to developing and enhancing the safety and security of neighborhoods and communities through the establishment or advancement of a number of safety initiatives that involve the active collaboration of residents, business, private security, law enforcement and governmental agencies at all levels.

CP-USA works closely with City, County and many other law enforcement, governmental and community groups to achieve these goals. All CP-USA volunteers are unpaid community minded individuals.

We promote and provide information and assistance in the deployment of 6 major program initiatives:

- 1. COMMUNITY SAFETY COLLABORATIVE (CSC) PROGRAM**
- 2. NEIGHBORHOOD, BUILDING, BUSINESS WATCH (NBBW) PROGRAM**
- 3. CITIZENS ON PATROL SERVICE (COPS) PROGRAM**
- 4. CRIME ACTIVITY REPORTING (CAR) PROGRAM**
- 5. CRIME ALERT SERVICE (CAS) PROGRAM**
- 6. COMMUNITY SAFETY TRAINING (CST) PROGRAM**

We firmly believe that government and law enforcement alone cannot fully or effectively secure the safety and security of any neighborhood or community. It requires the active and involved participation of the residents, businesses and private security entities within each community to work collaboratively with local law enforcement and government agencies in a multitude of ways and through a number of different efforts to bridge the gap between what most citizens demand or expect, and what law enforcement and governments can achieve given the limits of their resources and funding.

CP-USA endeavors to facilitate the development of this collaborative and mutually supportive effort. We work to educate residents, businesses, residential and condominium owners and local associations to the benefits and need for such collaborations. We help to develop relationships with local law enforcement and local government agencies in support of mutual collaboration and we provide some information and guidance on how to create steering groups, conduct effective meetings and develop public relations strategies in support of your neighborhoods overall goals. We also provide training to residents and businesses in a number of relevant and useful topics.

Please feel free to contact us at your convenience and we will be happy to meet with you to discuss your neighborhood challenges, and see how we can work together to develop enhanced safety and security for everyone in your community.
